Bartlett Lions seek Community Support

For the past five years, the Bartlett Lions Club has organized and delivered a **complete holiday meal** to area families in need of help. This year, even more of our residents will need help during the holiday season.

Last year, the Bartlett Lions procured four-pound smoked hams, mixed vegetables, potatoes, gravy, breakfast cereal, cake mix, frosting, hot chocolate, paper goods, and more. Lions members then sorted and packed these items into boxes that were delivered to local schools and food banks. The boxes were finally distributed to over **400 families**, who were able to enjoy a complete and wholesome holiday meal, a meal otherwise beyond their financial means.

In 2013, the Bartlett Lions would again like to expand this holiday tradition to as many families as possible and are seeking the help of Bartlett residents and local businesses who would like to help support our efforts. Monetary **donations will be gratefully accepted and used strictly to purchase as much food as possible** through the Northern Illinois Food Bank at or below wholesale prices.

To donate, please contact Lion Norm directly at **630-837-8975** or Lion Anthony at **LionsFoodBaskets@yahoo.com**

The Bartlett Lions are a **501(c)(3)** charity, and **tax-deductible donations** will be used exclusively to support this year's undertaking. If you feel that you can contribute at any level, please mail your donation (payable to **Bartlett Lions Charities, Inc.**) to:
