Bartlett Lions Club: PATHWAY TO CHARITY

The Bartlett Lions Club asks for your support to continue helping families in need. Due to the pandemic, many local residents cannot afford the eye glasses, hearing aids or diabetes related items they require. The need truly is greater now than ever before. We are asking for your support.

In addition to the Charity Golf Outing, the Bartlett Lions Club holds other fundraising events including the Lions Day Dash, Pancake Breakfasts, and Candlelight Bowling. Each of these events is critical to support the work we do.

The PATHWAY TO CHARITY is another way for residents and local businesses to contribute. The PATHWAY TO CHARITY is a financial donation that will be recognized during the Charity Golf Outing and utilized in the community throughout the year.

Please consider a \$25 or greater PATHWAY TO CHARITY Donation at the Charity Golf Outing. \$25 or more will go a long way in helping the Bartlett Lions Club further serve our community. All donations are sincerely appreciated and 100% tax deductible.
